*"This was a wonderful experience for our child. He came back more independent, more willing to push himself physically, overcoming his fears, trying new skills, and a deeper connection to his Jewish identity."*

*"I have been trying to instill a sense of Jewish identity in my children with synagogue attendance, Sunday school, Shabbat, holiday observance, etc... Two weeks at BB Camp did more for this, than everything I've done the past two years combined."*

*"BB Camp is where my kids become the best versions of themselves, confident and helpful leaders, in a fun and supportive environment. They are campers for life!!"*

Testimonials
